LICENSURE: Admitted to practice in Pennsylvania, New Jersey, and
Washington D.C. since 1989

EXPERIENCE:

Legal: Sheller, P.C. - March of 1991 - Present

Associate: I currently handle and supervise lawyers handling product liability, motor vehicle, medical malpractice, medical device and drug product liability cases, multi-district litigation and class action litigation as well as general personal injury cases. I work on all aspects of litigation from the initial client intake through trial and appeal.

I have extensive experience in organizing mass document production and use of databases. I am fully familiar with state-of-the-art computer technology and how to effectively use it for litigation. I have participated in national discovery efforts as well as served on committees for drafting discovery and pleadings for both Class Action and Multi-District Litigation. I have been actively involved in interfacing with attorneys from all parts of the country on the various steering committees, as well as the coordinating courts in order to organize and make decisions relating to complex litigation.

Margolis, Edelstein, Scherlis, Sarowitz & Kramer - Aug., 1989 - Mar., 1991
Associate: I worked in the products liability department on all aspects of litigation including legal research, brief writing, pleadings, discovery and trial preparation.

Margolis, Edelstein, Scherlis, Sarowitz & Kramer - May, 1988 - May, 1989
Law Clerk: My duties included legal research, assisting in case preparation and drafting legal documents.

Other Appointments:

January, 2009 - Local Liaison Counsel for the Paxil Birth Defect litigation.
Local Trial counsel for 1st Paxil Birth Defect case in country resulting in a 2.5 million verdict
